

Peer Assessment Pool

The Peer Assessment pool is made up of industry experts and peers from a range of arts disciplines, who have submitted Expressions of Interest to participate in Arts Queensland's funding assessment processes.

Peers and Assessors provide specialist knowledge relevant to each funding program's criteria and make recommendations to the Minister for the Arts for consideration.

Members listed below have been approved to participate in Arts Queensland's Peer Assessment for the period 2016 to 2019. New appointments will be made to the Pool on an ongoing basis, through a rolling Expression of Interest process.
